

Declaration by principal investigator/guide/mentor

This is to certify that the project entitled “.....” has not been submitted to any funding agency or institution other than the Indian Rheumatology Association (IRA).

Also, I herewith affirm that should the project be funded, the work carried out under the purview of this project shall be submitted as an abstract to the Indian Rheumatology Association conference and the Indian Rheumatology Association shall be credited for funding this work. The authors should preferably consider submitting their work to the Indian Journal of Rheumatology for consideration of publication.

I also confirm that,

1. I am a life member of the India Rheumatology Association (LM No. _____)
2. I have the following ongoing projects funded by the India Rheumatology Association,
 - a.
 - b.

(Note: The principal investigator/guide/mentor must be a life member of the Indian Rheumatology Association. A principal investigator/guide/mentor may have a maximum of two ongoing projects at the same time. In a single funding cycle, only one project can be funded for a single principal investigator/guide/mentor.)
